RE: Hall of Fame Candidate

Dated: February 13, 2014

Please accept this letter as my nomination for inclusion into the WV ATA Hall of Fame a trap shooter who started registering targets in 1971. He is an accomplished shooter and has won numerous trophies and represents WV very well, no matter where he shoots. His character is without question.

He was the WV Singles Champion in 2000.

He was the WV All Around Champion in 2001.

He has been a past member of the WV State Team. Team Captain 2004.

In 2001, he was also tied for the Resident High Overall Championship. Instead of shooting off for the trophy, with me, he said to go ahead and keep it, that he had won another trophy already that year and decided to go home. I have that clock in my den at my house in my study. Everyday, I go into that study, I see that clock and think of the gesture he displayed back in 2001.

I can go on and on about his quiet nature and more trophies but I think you will agree that Gary Holmes should be considered a viable candidate. Therefore, please accept this letter as my nomination for Gary Holmes to be included into the WV ATA. (Shooter No. 9302643).

Respectfully submitted,

D. Mark Isner

Life time ATA Member # 88-03753

In good standing with ATA.
