

To: WV ATA Board of Directors
RE: Hall of Fame Candidate

Dated: 10/19/2011

I would like to nominate Mark Isner as a candidate for the WV Hall of Fame.

Mark is well known to the shooting community through his shooting, his work and his integrity.

Mark's shooting accomplishments include 1999 WV State Doubles Champion, 2010 WV State Singles Champion as well as many other class championships. He has competed, and won at the Zone level winning trophies at the Southern Zone the past several years. Nationally, Mark has triumphed at the Grand American.

Mark accepted the nomination for the state delegate to the ATA and has been the delegate for the last few years, before that he held the alt delegate position. Mark takes his duties seriously while at the Grand and Southern Zone shoots when he's not shooting he is attending to the business of the ATA, our state is well represented.

I've witnessed Mark's integrity as he has called lost targets on himself at times when the scorer thought he saw a piece, Mark even called a lost target on himself in the Champion of Champions event at the Grand American. I think that these are the qualities that the WV Hall of Fame was founded on and respectfully submit Mark Isner for consideration.

Respectfully,
Bob Harden
